

A New Look for Urethane Coatings

For those of you who don't know **Urethane Coatings** we've been manufacturing high quality specialist floor coatings since 1979.

In February at the Sydney, Flooring & Finishes Show we launched new packing for our floor coating range to reflect the increased focus on the **Urethane Coatings** brand.

Urethane Coatings offer a wide range of products suitable for a variety of flooring including timber, parquetry, cork, particle board & concrete.

If you didn't make it to the show and would like to download a copy of our New Product Brochure or would like more information on our product range please visit:
