

The GAMA Easy Spray

AN EASY-TO-USE PORTABLE AIR DRIVEN PROPORTIONING UNIT

Era Polymers are the exclusive agents for machine specialists **GAMA** in Australia & New Zealand, supplying the full range of **GAMA** Spray equipment and spare parts.

The **GAMA Easy Spray** is a compact portable air driven unit. The product tanks are positioned on a chassis with wheels which provides excellent mobility together with easy access to all types of work sites. Due to the electrical console having just one control switch it is an ideal unit for less experienced personnel as it is very easy to operate, this can also save time during set up and application.
